

## Middle School Core Beliefs

- ⚙️ **Quality work & relevant learning** through challenging integrated curriculum, instruction, and assessment
- ⚙️ **Relationships that promote trust and safety** (physical, emotional, social) needed for learning and well being
- ⚙️ **Opportunities for all to succeed** through core, exploratory and co-curricular activities
- ⚙️ **Respectful partnerships** through heroic customer service and communication
- ⚙️ **Development of personal responsibility and accountability** through opportunities for significant choices and decisions related to learning
- ⚙️ **High expectations for all** who are involved in middle level education
